You Gotta   
Love Parents...

Please choose one of the topics from the first page and write using 100 words or less. .

What makes a good parent? One that loves you. It doesn't matter if they buy you things or not. Or give you stuff when you want it.

All that matters is that they love you, that they spend time with you like watching movies, playing sports and actually just sitting down talking with each other.

A good parent is nice but doesn't let you do what ever you want but once in a while they do.

A good parent is my mom.

Dear Mom and Dad,

Thank you for always being there for me when I am sick and when I am down. Thank you for always helping me. Like when you help me with my butterfly stroke and my homework. Thank you for loving me even when I am bad. Thank you for loving me for how I am. Thank you letting me go to a public school. I know you will never make me go to a private school or be home schooled! Thank you for being good role models. And most of all thank you for being the best parents ever.

Love,  
Jaydan
