You Gotta 
Love Parents.

Please choose one of the topics from the first page and write using 100 words or less.

You are special because you help me. You buy me clothes. You buy me food. You pay for me to go to school. You care for me when I am hurt. You love me. You are nice to me. You listen to me when I am speaking. You house me. You understand me. You talk to me when I am upset. You make sure I'm healthy. You make sure I understand things. You help me on homework. You teach me about God. You protect me. Thank you for every thing. You truly are the best parents in the world.
