You Gotta 
Love Parents.

Please choose one of the topics from the first page and write using 100 words or less.

I think my dad is special because he fools around like how he tells jokes, plays pranks, and mostly has fun with me! He goes to almost every play im in, he cooks for me. He almost never yells at me, unless its a very good reason. He takes me to football games. Now my mom is special because she takes me to the mall to go shopping. She loves me and keeps my life organized. She reminds me about important stuff. She lets me go to camp and I love them both because they watch movies with me.
