4th Grade Writing Contest...

You Gotta 
Love Parents...

Please choose one of the topics from the first page and write using 100 words or less.

You are special because you have a special job but still take to spend with you're family. You don't have a favorite child, even though you have plenty to chose from. When I'm feeling down you help me feel up & when we don't get along you're a good peacemaker. You're both all of the fruits of the spirit, I love, joy, peace, patience, kindness, goodness, fathfulness, gentleness, and selfcontrol. Most of the time you get along with the other parent. You're not just my parents, but my best friends! You're the perfect friends. You're a great mom and dad Love You!
