4th Grade Writing Contest...

You Gotta 
Love Parents.

Please choose one of the topics from the first page and write using 100 words or less.

I love my parents because they're nice and they do fun things with me. They always let me have friends over. My Mom helps me with my homework when I need it. My Dad does a lot of fun things, like take me on four-wheeler rides. At night my Mom tucks me in and kisses me. On Sunday, we have a party at the beach. We also go on family trips. In the morning, on school days, I ask for breakfast and my Mom makes it. That is why I love my parents so much.
