Dear Mom and Dad,

You are special because you will never stay mad at me and you are sweet. Another reason is that you love me no matter what, also that you take care of me and I am so thankful! You are just so helpful! You are also affectionate and I like you just the way you are. Also I like that you help me with my homework when I am having trouble with it. Another reason is that you make me feel better when I cry. You are the best mom and dad in the whole world and I never want a different one. You also care for me and you love me.

Love,
Bylan

Dear Mom and Dad, September 29, 2011
You are special because you love me
and give me care all the time.
When you get mad at me you really
don't want to yell because you love
me so much. I love you with all my
heart and would never want to lose
you ever. You are the best Mom
and Dad in whole wide world.
You're the best because you're
always there for me when I'm
sad. You protect me from anything
dangerous. You and I tell each other
everything so we know the truth.
You are the best thing that's ever
happened to me ever since I was
born.

Love,
Anna

Dear Mom and Dad,

You are special because you support me. Both of you are very loving. You both work very hard to take care of me and our home. Mom, you give out great advice when I need help or have a problem. Dad, you are the best coach anyone could ever have. I love when you both come to my games to cheer for me. It makes me feel wonderful! I am very thankful to you guys and love you so much!

Sincerely,
Elizabeth Cook

Dear Mom + Dad

You are special to me because you support me. I appreciate the love you lend me, and also when you hold me tight when I'm sad. I am thankful for the wonderful places you take me because it's a new opportunity. When you make me giggle, sometimes I feel like I have to hug you. I'm really glad you give me advice and help when I need it, like homework, crafts, how to play a game, and even how to make some food. Thank you for all your love and care. I care about you both so much!

Sincerely,

Autumn Foss
